

Camp Hinds Pine Tree Council Boy Scouts of America 2007

A Summer Camp Guide for
Leaders, Scouts and families.

Dear Scouts, Leaders, and Families,

Welcome to the 2007 Camp Hinds season! We look forward to an exciting summer as we will be celebrating the Centennial of Scouting World Wide as well as our 80th season. It is our goal to make sure everybody who attends camp this summer has a fun, safe, and fulfilling experience during their visit. I look forward to returning as Camp Director and welcome back Wayne Holden as Program Director.

As always we will be offering some new merit badges and updating our program. New Merit Badges being offered include Composite Materials, Model Building & Designs, Fish & Wildlife Management, Forestry and Nature as well as Aviation and Graphic Arts for older Scouts. New activities include Spy Mapping, Patrol Flag Making, Geocaching, Tracking and Trailing, and an evening Patch Tradoree and Song Fest. Also for older boys we have added Canoe Sailing as an afternoon activity.

We also look forward to continue bringing you some of our most exciting offerings. Our popular Trail To Eagle program will be offered during Week 1. BSA Lifeguard, the Boy Scouts Lifeguard certification course, will be offered Weeks 2, 4, and 6 this season. Our successful Counselor In Training Course will have two sessions - Weeks 2 - 4 and weeks 5 - 7. Please make sure you check out the Program and Advancement section of the Leader's Guide for all of the specifics regarding these program options, as well as in-depth descriptions of our High Adventure Treks.

It is our hope to provide all of our guests who visit us here at camp with the highest level of service. We want folks to come to camp energized and excited, and leave satisfied and refreshed.

Please visit our web page at www.pinetreebsa.org for more information regarding Pine Tree Council's camps, and check the form section to download much of the paperwork you will need to prepare for camp. You will also find all of the information contained in this guide, as well as all the forms, on the 2007 Pine Tree Council Camping CD. We all look forward to seeing you at camp this summer!

Yours In Scouting,

Matthew Mower, Wayne Holden and the 2007 Camp Hinds Staff

CAMP WILLIAM HINDS

Camp Hinds is a traditional Boy Scout Resident Camp, operated by Pine Tree Council, now in its 80th year of operation! The camp is situated on

320 acres of beautiful Maine woods bordering the Tenny River and Panther Pond in the Sebago Lakes Region of Raymond, Maine.

Our goal this season is to bring to you the best in summer camping for Boys Scouts - whether they attend with their own Troop and Leadership or with the camp's leadership in the Provisional Troop! To ensure the best experience possible, we have a highly trained staff of Scouts and Scouters to help guide and support both adult and youth Scouters here at Camp Hinds.

We offer many outdoor program opportunities for Scouts to promote the aims and methods of the Boy Scouts of America in building character, citizenship and fitness! A strong merit badge program, older boy high adventure activities, troop and patrol activities, specialty weeks, emphasis on uniforming and Scouting traditions, and much more are all part of our summer program designed to bring the best out of the Scouts who visit us!

DONATIONS & CAMP PROJECTS:

We encourage troops to contact Ranger Bob Gosselin (655-4878) during the off-season, in order to find out what camp needs for help and equipment. Troops are always welcome to perform a small service project for camp such as erosion walls and brush removal.

Units can also participate in the Adopt A Site Program, run by Ranger Bob, where units can

select a site in camp and help keep in working condition for the year.

CAMP STAFF:

Our camp has a trained staff of approximately 55 Scouts and Scouters. Our camp staff is registered as members of the Boy Scouts of America and our mission is to help promote the aims and methods of Boy Scouting, to their fullest, here at Camp Hinds.

The camp is lead by a Camp Director, who works with a Program Director and the Camp Properties Superintendent. Each of our program and support areas are overseen by an Area Director, many of whom have attended the National Camping School program for training specific to their job. Our staff will assist and try to accommodate your needs in every way possible, so don't hesitate to ask for assistance. Occasionally, it may be necessary to shift or rearrange program plans or campsites to accommodate everyone, but this will only be done when no other alternative is possible.

HANDICAPPED INFORMATION:

Camp Hinds aims to make our program available to all Scouts. If you have persons with a disability that may require special attention, auxiliary aids or any reasonable accommodations, *please contact the Camp Director at 655-4878 at least two weeks prior to you stay at Camp Hinds.*

TROOP PHOTOS:

Again this year, camp will be offering troop photos! A professional photographer will be in camp on Tuesdays to take troop photos before and after lunch for those units wanting them. Photos are colored 8 x 10's. **Cost for each photograph will be \$8.00.** A troop photo order form will be given to each troop at camp. Money needs to be collected and turned in with the order form to the Trading Post by noon on Tuesday. Troops will receive their photos at the Friday night campfire.

MAIL & EMERGENCY PHONE NUMBERS:

Two of the questions from parents are "Where will our son be?" and "How can we reach him?" Scouts enjoy receiving mail from home during their stay at camp. Please write, but don't call unless it's an emergency. Remember there is no phone next to your son's tent! The camp phone is for camp business and emergencies.

EMERGENCY PHONE # - 207-655-4878

There is a pay phone available in camp for non-emergency use. We encourage all leaders to keep their Scouts away from the phone. Experience has taught us that this really helps with homesickness. ***Camp does require that all Scouts using the pay phone have the permission of their Scoutmaster to use the phone!***

Mail is delivered daily to camp. *Each campsite has a mailbox in the Trading Post for mail and non-emergency messages.* Leaders please check your mailbox a couple of times each day for incoming mail and messages. All emergency messages received in the camp office will be delivered immediately to the adult leadership of the Scout to whom the information concerns by the camp staff.

MEDICAL INFORMATION:

MEDICAL SUPERVISION:

Dr. Donald Burgess, Chief of Pediatrics at Southern Maine Medical Center, oversees the camp medical staff. A licensed health officer is in camp, on duty at all times, to handle all medical emergencies. If the injury or illness is serious, the person is brought to a local health care facility. Written agreements are in place between Camp Hinds and local health care providers to care for our campers, staff and guests. ***All medical illnesses or injuries must be reported to the health officers in camp – no matter how minor the incident.*** Please report any dietary or health restrictions to the camp office at least one week prior to your arrival in camp.

Page 4

MEDICAL FORMS:

All Scouts and Leaders attending camp must have a completed BSA medical form on file

with the camp health office while in camp.

All Scouts and leaders under the age of forty must have a BSA medical form, with a completed physical, Class 2, by a licensed physician within 36 months of his arrival in camp.

The Health History section, Class 1 must be updated and signed by a parent/legal guardian every year. Please be sure that the immunization records are accurate and completed.

All leaders over the age of forty must have the completed BSA Class 3 form signed by a licensed physician within 12 months of his arrival in camp.

It is a regulation of the Boy Scouts of America that anyone who does not have a completed and signed medical form at the check-in time at camp will not be allowed to remain in camp. No exceptions will be made.

Camp Leaders should collect all medical forms and check them to make sure they are complete prior to leaving for camp. Please mail a copy of each persons health form to Camp Hinds at least two weeks prior to your stay in camp. The health officer will review forms before your arrival to help with provide your troop with a smooth check-in once in camp.

Special note: Please make two copies of your medical forms: one for camp and one for your records.

MEDICAL RECHECK & MEDICATIONS:

Upon arrival in camp, all Scouts and Leaders will go through a medical recheck at the camp Health Lodge.

Pine Tree Council and Camp Hinds must comply with all of the State of Maine laws and BSA policies concerning medications in camp. All medications brought to camp by campers, leaders, and staff MUST be given to the Health Officer upon arrival in camp.

This includes prescription and non-prescription items. The health officer is available at scheduled times to administer medications as needed. An exception may be

made for a limited amount of medications to be carried by the Scout or adult for life-threatening conditions- including bee-sting kits, nitroglycerin, inhalers, and medication specifically prescribed “to be carried at all times” by a physician. Camp supplies over the counter medications such as pain relievers and antihistamines; along with first aid supplies- so there is no need to send these to camp.

Emergency Medication Plan:

New as of 2006, the State of Maine requires that all campers that are going to carry a rescue inhaler or Epi-pens, provide the camp with an Emergency Medication Plan. Additionally, each camper must have their parent’s and physician’s approval to carry the inhaler and indicate that the camper is able to use that inhaler. At the time of check in, the camp health staff must also evaluate the camper’s ability to use his inhaler. Please be sure to complete the Emergency Medication Plan with the physician and send it to camp with the health form. A copy of the school asthma plan will be acceptable as well.

Epi-Pens and Inhalers:

All campers that are allowed to carry medications for emergency use must demonstrate their ability to use the medication. During the check in process, the camper will demonstrate to the health staff that he is able to use his inhaler or EpiPen. Permission to carry the rescue inhaler or EpiPen should also be documented by the parents and physician on the Emergency Medication Form.

Peanut Butter Free Zone:

Due to the increase in campers having peanut butter allergies, some which are life threatening, we have decided to make the Camp Hinds dining hall a peanut free zone. This means no foods with peanut oil or peanut butter will be used in the kitchen or dining hall.

allergies, still needs to list the allergies on the campers health form and notify the camp at least two weeks in advance.

Many campers love a peanut butter sandwich and this can be a great snack! Troops may still choose to have peanut butter in their campsites as long as the Scouts in their campsite don't have the peanut allergy!

SLEEP & QUIET HOURS:

Getting enough sleep can make a difference between having a great or poor week at camp! Camp Leaders should see that their Scouts are in the campsite by 9:00 PM and quiet time is observed from 9:30 PM - 7:00 AM. A siesta is scheduled for rest time everyday directly following lunch.

TRADING POST:

Camp Hinds operates a trading post, like a general store. The trading post offers camp T-shirts, hats, sweatshirts, postcards and stamps, souvenir items, candy, soda and toiletries. We also offer camping equipment like flashlights, bug spray, jackknives and much more. The amount of money that each Scout brings is an individual matter and should be determined by the Scout and his parents. *Generally speaking, \$40.00 is plenty for a week's stay.*

UNIFORMS:

Camp Hinds has a long established tradition of wearing uniforms in camp. Our staff is in uniform at all times, unless their job requires something else. We encourage all of our Scouts and leaders to proudly wear the Class A Scout uniform every evening for retreat and the dinner meal. The 2007 camp T-shirt, hats, etc will be available in the Trading Post for those that would like to purchase them.

Once again we will be offering you the opportunity to pre-order your Camp Hinds items. The form is available in the back of this booklet. Orders due by June 1st.

VISITORS:

Visitors are welcomed in camp, but please understand that everybody is on a busy schedule and Scouts prone to homesickness may do better without visitors. All visitors must sign in and out at the camp office. Remember that camp facilities

are primarily for the use of campers and leaders. Visitors must purchase tickets for meals, which are available in the trading post.

TROOP ADULT LEADERSHIP:
EVERY TROOP IS REQUIRED TO HAVE A MINIMUM OF TWO LEADERS IN CAMP AT ALL TIMES. ONE MUST BE 21 YEARS OR OLDER, AND ONE 18+.

If your troop is having problems securing two-deep leadership for your week at camp, you should consider sharing a campsite with another troop. Arrangements for this can be done through the PTC camp administrator.

The troop is responsible for providing adult leadership for its Scouts. Discipline problems are the responsibility of the Troops leadership, with help from the camp staff when necessary. Feel free to contact the camp director with any concerns while in camp. Troop leadership will receive written notification of the camp's medication policy and a written reminder of which of your Scouts need medications and when.

Leaders are responsible for making sure their Scouts receive their medications. You are their adult guardians for the week. Notices will be sent to Scoutmasters for any Scouts consistently missing their medication distribution times.

DINING HALL & MEALS:

Meals are prepared by our kitchen staff and served in the dining hall. The camp menu has been designed and dietician approved to ensure that properly balanced meals are being served to the growing young men who visit Hinds each summer.

Page 6

A copy of the camp menu will be posted in the dining hall.

Troops are assigned tables at the dining hall on Sunday by the Dining Hall Steward based on the number of people in your troop, including adult leadership for breakfast and dinner. Some of our troops eat indoors and some will be assigned tables at the outside dining deck. Tables are set to hold eight people. **Troops are strongly encouraged to assign one adult leader to each table.**

Breakfast and dinner are served family style, with the kitchen staff providing platters or bowls of food for each table. Lunch is served buffet style.

The waiter system is used at camp during the family style meals to help facilitate the serving and cleanup of the meals. **Each troop needs to assign waiters, one per table assigned to the troop, for each of these meals.**

RESPONSIBILITY OF WAITERS:

All waiters are responsible for arriving at the dining hall 20 minutes before breakfast and dinner. The Dining Hall Steward will instruct waiters in setting the tables for the meal being served. Waiters are the only Scouts allowed to be up during the meal to get seconds and desserts from the kitchen. Waiters are also responsible for staying after the meal to clear their tables and sweep the floor. The dining hall steward will dismiss them from their duties when he or she feels the hall has been properly cleaned.

CAFETERIA STYLE LUNCH:

Our dining room will be open for serving lunch from 12 PM to 1 PM to provide a convenient lunch break.

Scoutmasters can decide if they want their troop to eat together as a group, by patrol or with the buddy system. You may choose to eat inside or dine outside on the picnic tables. A self-serve salad bar will be available as well as a lunch entree (and of course dessert) at the

window. This will allow more flexibility with the schedule and give those that need it, the opportunity for a longer lunch break or siesta!

TROOP COOKING:

All troops will be cooking Wednesday night dinner in their campsite. The kitchen will provide a variety of ingredients, to be announced at the Leaders Meeting, that troops can cook it according to their own personal taste and cooking techniques. Troops will need to provide a majority of their utensils and cookware. Camp will have a limited amount of cooking equipment available at the camp room.

MORE TROOP COOKING:

If your troop is interested in doing more cooking in your campsite, arrangements may be made through the Camp Office for in camp meals, and through the Program Director for Outpost trips.

SPECIAL DIETS:

Arrangements can be made with the cook for those with special dietary concerns (religious or health based). Please contact the camp at least one week prior to your arrival at camp for special diets so that arrangements can be made and food can be ordered.

FRIDAY BARBECUE AND PARENTS NIGHT:

Parents and families are invited to attend the Friday evening activities, including retreat, barbecue, and closing campfire – all starting around 5 PM. Please stay and attend the Friday closing campfire with your Scout. The staff will be putting on a show for all of our visitors that your Scout will not want to miss.

Page 7

BBQ tickets are available at the Trading Post, for purchase by visitors and family, starting on Sunday. Tickets must be purchased by noon on Tuesday to allow time for ordering food. The

meal will be hamburgers, hotdogs and all the fixing's! Veggie burgers and dogs will be available for the vegetarians. Campers do not need to purchase tickets.

COST OF BBQ TICKETS FOR GUESTS-

*\$5.00 per person
\$3.00 under 12 years old.*

WET FRIDAY:

In the event of liquid sunshine, the Friday barbecue and campfire may have to be held indoors at the dining hall. In this event troops will be assigned the following times to report to the dining hall for dinner in order to help facilitate the serving of the meal and to help avoid standing in long lines.

EMERGENCY PROCEDURES:

Camp Hinds has established procedures for lost campers, lost swimmers, fires, and severe storms. We use a siren as a warning device if and when it becomes necessary to call the camp together. *At any time, if you hear a continuous signal from our siren you must report immediately to the Council Ring and await further instruction from the camp administration.*

If you hear a ten second blast from our air horn then you need to get to the nearest severe storm shelter. Shelters include the Rec Hall, the Med Lodge (Primarily for Medical and Commissioner Staff as well as any campers receiving treatment and their leaders), the Dining Hall, Tenny Rec Hall, Cadigan Cabin, Bates Cabin and the Training Center.

Camp Hinds has written agreements with local fire, police and medical departments to provide Camp Hinds with the necessary coverage for any emergency.
