

CAMP HINDS 2007 AFTERNOON TROOP ACTIVITIES

REQUEST FORM

- The Afternoon Adventures programs are designed as a fun way for Scouts to experience as many areas of camp as possible, while building upon their teamwork skills at the same time. Please encourage all of your Scouts to participate – even the older scouts. *Remember – example is the best form of leadership!!*
- *It is strongly encouraged that the Senior Patrol Leader be in attendance for all of your Afternoon Adventures.* He is the elected leader of the troop, and as such should act as a mentor to those younger Scouts who elected him into office.
- **An adult leader MUST accompany the troop at all of their Afternoon Adventures.**
- **NEVER INVITE YOU OR YOUR TROOP INTO A PROGRAM AREA** without a staff person present. Report any tardy staff to the Program Director.
- Afternoon Adventures Schedules are finalized by the Program Director on Monday Morning. Completed Schedules will be handed out at the Patrol Leader's Meeting, at Noon on Monday by the Program Director.
- The Camp Administration reserves the right to alter the Afternoon Adventures schedule, and place troops in specific periods based upon space and staffing limitations. Large weeks at camp will have multiple troops sharing a program area.
